An eleven-year-old mergirl has better things to do than save the oceans from deadly stagnation. Except there's no one else. And worse still, something monstrous is hellbent on stopping her. It's Ringlet against time and tides ... and there's not much left of either.

A great read for the mermaid in your life.

For readers 9–13 years.

Groovy Fish & Other Poems
by Paula Green (Auckland author)

Available July 2019 • ISBN 978-0-9951197-3-4

150 × 210mm • soft cover • 76pp

illustrations by author • RRP \$25

Author of the award-winning *Letterbox Cat*, Paula Green's bright new poems have grown out of titles collected from her fans: the children who follow her online at Poetry Box and curl up inside the covers of her books. These poems dash and dart, whisper and purr ... tell of tap-dancing fish, cheese-spaghetti dogs, annoying itches, thunder monkeys and midnight moons. In Paula's world skies are pumpkins, lions live in kennels and her own wild drawings dance across the page.
